

DCA HEALTH & SAFETY PROTOCOLS REGARDING COVID-19
UPDATED – JUNE 16, 2022

MASKING: Masking protocols at the time of your show will be based upon the current **CDC Community COVID-19 Level** in Door County.

If the level is **LOW**, masks will not be required.
If the level is **MEDIUM** or **HIGH**, masks will be required.

VACCINATION: Proof of vaccination or negative COVID test is not required for entry.

Please note that our protocols are subject to change as pandemic conditions change.

The current CDC Community COVID-19 level for Door County is: LOW

If and when masks are required, everyone (ages 3+) in attendance must wear a face mask that covers nose and mouth throughout the building. Scarves, bandanas, neck gaiters, face shields, mesh or beaded masks do not qualify. Masks are provided for those who do not have one.

Additionally, DCA provides hand sanitation stations throughout the building.

DCA's HVAC system was upgraded by Gibraltar Schools. Ionization bars were installed within the air handlers and outside air damper (fresh air) was increased. Filters in the HVAC system were upgraded from MERV 7 to 13.

Complimentary masks are available.

If you or any member of your party are feeling unwell due to a COVID-19 infection, we request that you not attend your event. DCA will offer a refund or DCA gift certificate, based on the value of your tickets, which can be used for a future show (expiration Dec 31, 2023). Please call the DCA Box Office at 920.868.2728 or email boxoffice@dcauditorium.org to arrange for such an exchange.
