Door Community Auditorium's Encore Campaign - "The Annex"

DCA's ENCORE Campaign supports the creation of a new, supplemental venue and facility. With donations received thus far, we acquired the property directly across the street from the Auditorium (where the Fish Creek Grill once stood). We are now raising funds for the construction of a facility that will expand our offerings, deliver greater value to our audiences, and provide:

- Smaller scale indoor and outdoor performance areas to expand opportunities to showcase student, local, and regional talent
- Music practice rooms for student use and instrumental instruction not offered in the school
- A full catering kitchen for improved artist hospitality and special events

- Space for hosting pre- and post-event receptions
- Offices and collaboration space for DCA administrative staff and potentially other nonprofit organizations – we have outgrown the office space housed within the auditorium's box office
- Expanded accessible parking usable for events on the main stage auditorium. The completion of sidewalks, lighting, and an ADA compliant crosswalk, with flashing lights and median, has greatly improved safe passage between the two properties

Join us for **DCA's Encore** by making a donation to our capital campaign. We welcome the opportunity to meet with you to discuss the project and explore naming possibilities. Please visit <https://dcauditorium.org/expansion/> for more info and to view the exciting architectural plans.
